

Summer Info!!

It's almost here! Lots of plans in the making as you can see. Contact Kristi by email or in the office (see below) to volunteer or look for sign-up sheets. Check the Kids' Page at the church website all summer for updates.

Vacation Bible School – July 12th – 16th, 8:45 – Noon. Ages 4 years through 5th Grade. New this year: *FREE* Registration! You do not need to be a member of WPC to attend or to volunteer for VBS. Register online from the church website (volunteers, too). Invite your friends and neighbors! We need youth and adults to help out one or more days during VBS – please pitch in to make this a memorable week for the kids.

Children's Church – The Worship schedule will go to one service June 27th. We will host Children's Church every-other Sunday throughout the summer. This is for kids who have completed K through 3rd or 4th grade at parents' discretion. Assistants are needed.

Pre-K Sundays – Pre-K Sunday School will continue all summer. We will be using a DVD-based curriculum geared for preschoolers. We have used it successfully in the past. We do need volunteers to lead – this is a good opportunity for a parent-older child to serve together. See the sign-up sheet outside the Pre-K room.

Nursery – Denise LaRoche will be staffing the nursery all summer & needs an assistant each week. Who can pass up ministering to these adorable kids? Sign up by the Nursery door!

Junior Ushers – Kids who have completed 2nd grade or higher can assist the ushers with the offering. Children will be paired with an usher and instructed before the service. This is a great way for kids to serve in Worship. Sign up at the Sunday School bulletin board.

Camp Fellowship – Returning after a successful first year! This year the planned weeks are the first and third weeks of July – before and after VBS. Watch your email or the bulletin for details. Proceeds will support the Children's Play Area being undertaken by Steven Chau as his Eagle Scout project. Camp Fellowship is coordinated by Emily Hutchings.

Children's Ministry Team – We need parents of nursery, preschool and elementary-aged children and a Sunday school teacher or two for the Children's Ministry Team. By combining all of these perspectives we can be sure that the CMT is serving the needs of both children and parents to promote spiritual formation during these critical years. Meetings are approximately 10 times per year on the second Monday of the month.

Go to [Christian Book Distributors](#) online for lots of summer fun! Check out Believer Bands for silly band fans. Manga fans look for the Manga Bible series by Zonderkidz Publishing. Nancy Rue has several series of books for young readers and tweens. Scripture memory is the focus of the Seeds Family Worship cd's – fantastic arrangements older elementary kids (and parents!) will appreciate. Send me your recommendations and favorites!

Have a great summer!
