

## WHAT IS W.A.T.CH?

### Wednesdays At The CHurch... Being together in order to grow together

W.A.T.CH is not a “new program.” It isn’t something put in place with hope that it will be used by God. Rather it is taking something that God has already been doing and jumping on board with Him. Before W.A.T.CH. there were several groups that met on Wednesday nights at WPC, ranging through the ages. Coupling this with the desire of so many in the congregation for more opportunities for Bible study and Christian formation, W.A.T.CH takes shape.

**So what is it?** It’s simple really. Every Wednesday evening we gather for a pizza dinner in the fellowship hall at roughly 6:15PM. No cooking on your part. No dishes to clean up. No juggling work schedules to make dinner work. Rather, allow a local pizza restaurant to do the dirty work as we sit down as one big church family and fellowship over a meal.

Then at 7PM there will be several opportunities for people of all ages to engage in a group or class that will help to foster growth in their lives. From classes for adults, kids or families to Men’s Fraternity, Alpha and Middle School Youth Group, and more, we jump on the movement God has already begun in our congregation, as we seek to be a growing body of maturing disciples.

***Because there is always another step!***

### W.A.T.CH. Schedule:

- 🕒 Praise Band and Middle School Youth Group meet each Wednesday during W.A.T.CH. Ladies’ Benevolent Society meets the 2<sup>nd</sup> Wednesday of each month (contact [Louise](#) in the office for more info 432-2150).
- 🕒 W.A.T.CH. Kids – for kids from 5 years old through 5<sup>th</sup> grade. A multi-age group where we learn together, have fun together – and snack together! See the [W.A.T.CH. Kids](#) link for current class topics and activities.
- 🕒 (Scroll down, new info added!)

- 🕒 March 31<sup>st</sup> – **Knowing the Bible 101** – by Bickel and Jantz. (7 weeks)  
This book organized my knowledge of the events and literature in the Bible so that the many pages now feel more like home to me. We will use this readable book as a guide to finding out how the many books of the Bible are put together and what they cover. In contrast to Bible GPS (from last fall), this book focuses more on the literature of the Bible, rather than the history of God's plan. The class will involve some reading, some presenting, some games and some discussion. Hopefully it will include a lot of inspiration as well! The level of the class will be toward high school and adult (Middle School has Youth Group). This class would be great for anyone who enjoys the many Bible verses and stories we hear but has always wondered how to find them. Everyone will need a book, but you don't have to read it all – I will provide cheat sheets. Hope to see you there beginning on Wednesday, March 31<sup>st</sup>, after pizza.
